

ANNUAL REPORT

2023

MISSION STATEMENT

We discover the colors of life behind an extra chromosome!

OUR VISION is to support the development of children with Down Syndrome and come alongside their families in achieving the best for their child. We also aim to raise awareness among Albanians and advocate for persons with Down Syndrome rights, so that the society opens doors for full inclusion of persons with Down Syndrome in the society's life.

LAUNCHING SPECIAL NEEDS ALBANIA

We are happy to share that on our 15th anniversary we already started a second location and have founded Special Needs Albania Program (SNAP) Center. The Center aims to be turned to a Social Enterprise that will be a hub for vocational training and employment of our youth with special needs as they grow out of therapies intervention!.

STRATEGIC GOALS

ORGANIZATION:
Establishing SNAP

COMMUNITY:
Designing a future with dignity for older adults that cannot work

FUNDING:
Growing in getting funds from within Albania
